TEMPLATES & PRINTING

Over the next few pages you will see that we have extensive range of templates we can use for your loved-ones order of service. When you have chosen the template you wish us to use, you can email us details including photos and words for your hymns and poems. Alternatively, call in or telephone us to discuss your thoughts and ideas for the order of service booklet. Our contact details can be found on the back of this booklet.

The design and print facility for the funeral order of service includes, if required, the integration of two unedited photographs in to the template of your choice. When you have finalised the artwork and are happy to proceed with printing we will produce an A5 order of service that is beautifully printed in colour with a 4 page 200gsm cover and, where required, 160gsm inner leaves.
